

**ONE DAY WORKSHOP  
ON  
PROFESSIONAL DEVELOPMENT FOR TREACHER TRAINERS**

**DATE:** 21-09-2023

**VENUE:** Seminar Hall – Islamiah College(Autonomous), Vaniyambadi-Tamil Nadu

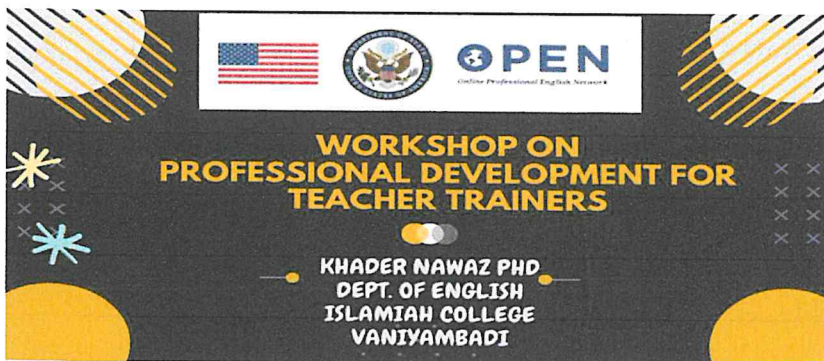

**SCOOOLS INVITED:** 26

**SCHOOLS ACTED IN RESPONSE:** 11

**PARTICIPANTS:** School Teachers

**PARTICIPANTS STRENGTH:** 32

As a follow up of 8 week Online Professional English Network(OPEN)course-Professional Development for Teacher Trainer(PD TT)- One Day workshop was conducted for School teachers of our region on 21-09-2023. Our Access teacher Mr. Khader Nawaz was the resource Person.

**Report of Yuva Samvad- India @ 2047 Programme and Submission of Account**

01.09.2023

Submitted to the Principal

The Namasivaya Trust, Tirupattur and the P G & Research Department of History jointly organised the Yuva Samvad-India @ 2047 on 30<sup>th</sup> August 2023 in the Seminar Hall of our College. This programme is one of the initiatives of the Ministry of Youth Affairs and Sports, Government of India through District Yuva Kendras to generate the positive discourse on the future of the country in line with the five ideas (Panch Prans) as envisioned by the Honourable Prime Minister of India during the Independence Day address on 15<sup>th</sup> August 2022. The programme started at 10.30. a. m. in the forenoon and ended in the 1 p.m. afternoon. The programme contains five technical sessions on the five themes of Yuva Samvad-India @ 2047 addressed by the five colleagues of our department (for details the programme schedule is enclosed). Total 129 students participated. The programme was also published in the Tamil Daily Malaimalar on 31<sup>st</sup> August 2023.

DEPARTMENT OF PHYSICS

ISLAMIAH COLLEGE (AUTONOMOUS), VANIYAMBADI.

15.04.2024

Report of Physics Association Meeting

Invited talk On

**"Learn to Learn: Advance Learning Techniques for College Students"**

The Department of Physics, Islamiah College (Autonomous), Vaniyambadi organized the Physics Association meeting on the topic **"Learn to Learn: Advance Learning Techniques for College Student"** on 15.03.2024 for UG, PG and Staff members.

**Prof. Dr. K. Muruga Poopathi Raja**, Professor & Head, Department of Chemistry, School of Physical Sciences, Sabarmati Building, Tejaswini Hills Central University of Kerala, Periyar, Kasaragod District - 671 320, Kerala was the resource person.

The programme commenced with a soulful prayer by Mr. Hassan of I BSc Physics, invoking blessings for the success and prosperity of the event and its participants. Following the prayer, Dr. Asghar, Associate Professor of Physics delivered a warm welcome address, extending greetings to all attendees and expressing gratitude for their presence at the programme. Dr. T. Mohammed Ilyas, Principal then felicitated dignitaries and special guests, acknowledging their contributions and support towards the programme objectives.

The stage was set for the keynote speaker, Dr. K. Anandaratchagan, Associate Professor of Chemistry who provided a brief introduction of the esteemed speaker, **Prof. Dr. K. Muruga Poopathi Raja**. **Prof. Dr. K. Muruga Poopathi Raja** is a renowned expert in the field of Research and learning techniques and education strategies, with a focus on empowering college students with advanced learning methods.

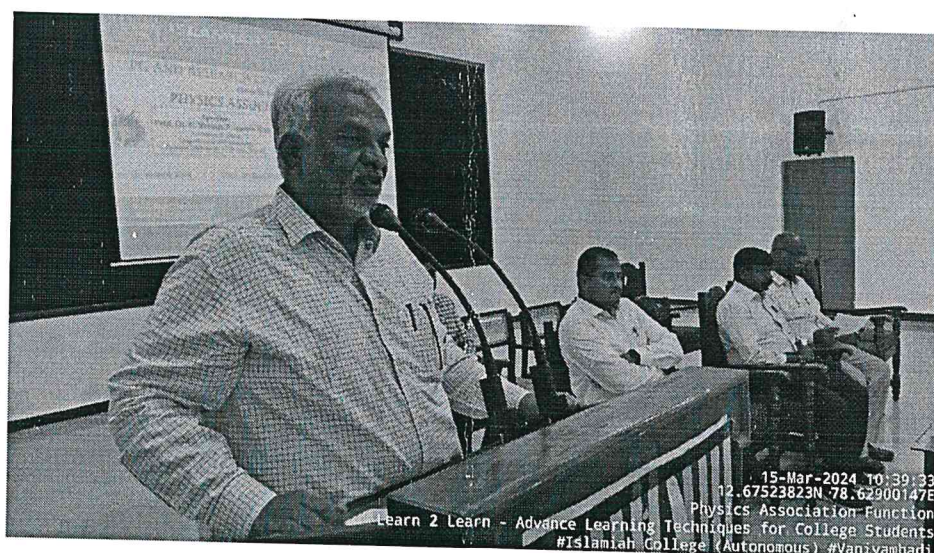

**Dr. K. Muruga Poopathi Raja's** session centered on the theme "Learn to Learn, : Advance Learning Techniques for College Student " where he shared valuable insights and techniques to enhance learning capabilities among college students.

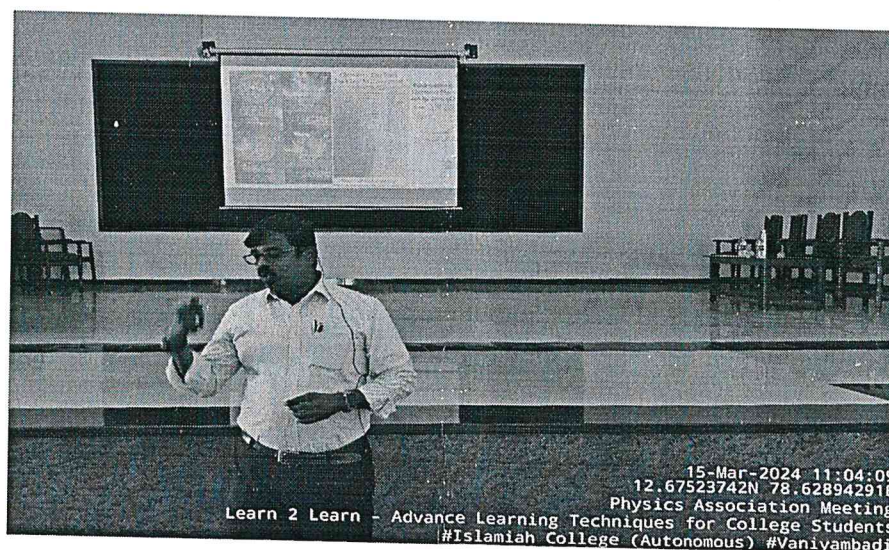

Key topics covered during the session included:

- Understanding different learning styles
- Effective study habits and time management
- Memory enhancement techniques
- Critical thinking and problem-solving skills

Speaker's engaging presentation captivated the audience, providing actionable strategies and tips to improve academic performance and personal development.

The programme concluded with a heartfelt vote of thanks delivered by Mr. K. J. Haris, expressing gratitude to all participants, speakers, organizers and management for making the event a grand success. He highlighted the importance of continuous learning and encouraged attendees to apply the insights gained from the session in their academic journey. Around 200 participants were benefited from the programme.

**Report on the seminar, title: "Research opportunities for chemistry students in India and abroad"**

The P.G. & Research department of Chemistry organized one-day inter-college seminar on "Research opportunities for chemistry students in India and abroad" at 2:00 P.M. on **24.08.2023** in the Seminar Hall. The programme commenced with invocation - the recitation of Qirath by Mr. K. T. Zameer Ahmed, II M.Sc Chemistry. Mr. K. Mohammed Aasheer, II M.Sc Chemistry welcomed the gathering. Mr. A. Fiaz Ahamed, Assistant professor of chemistry introduced the resource person Dr. S. HARISH, Assistant Professor of Chemistry, Sri Parmakalyani College, Alwarkurichi - 627 412. Dr Afsar Basha, Vice-Principal and HOD of Commerce delivered the felicitation address.

Dr. K. Anandaratchagan, HOD of chemistry spoke about performance of our students after completion of their post graduate studies in the field of research and industries. He explained the significance of passing CSIR - NET, SET and research fellowship (GATE - JRF) examinations in the final year of M.Sc Chemistry course.

Dr. S. HARISH delivered a speech on "Research opportunities for chemistry students in India and abroad". He gave the fine details of getting student internship for our students through his power-point presentation. He explained the research fellowship available through the leading research laboratories and CSIR in our country. Information regarding post doctoral fellowship available in our country is also explained through his slides. The opportunities for chemistry students to carry out research in foreign universities through fellowships was also discussed in detail. He specifically mentioned the opportunities for girls in the field of research and pointed out the fellowship available for them even if they continue their family life. The post doctoral fellowship offered by the universities abroad was also discussed.

43 students of seven different colleges from Vellore, Gudiyatham, and Tirupattur participated in the program. The online U-tube link provided by the department for participants from faraway places was also used effectively and the research report of the video reveals that there were 12 concurrent viewers for this program. 130 students of Islamiah College (Autonomous) also attended the program. The participants were given e-Certificates for their participation in the program after submitting their feedback through online. Mr. S. Vallarasu of II M.Sc. Chemistry proposed the vote of thanks. The program concluded by 4:30 P.M. after a brief interaction with the resource person.

## Background

Biotechnology association engages in conducting technical and non-technical events throughout the year which is organized by our students and guided by our Department faculties. Through this association, we have engaged in arranging special lecture series, workshops, conferences, symposiums and many more activities for our students.

## Objectives

1. To facilitate the students' involvement in organizing functions.
2. To develop leadership quality among students.
3. To inculcate the young student minds from ideation and gaining knowledge in recent advances in biotechnology field of research.

The inauguration programme was presided over by **Dr. T. Mohamed Ilyas**, Principal, Islamiah College (Autonomous), Vaniyambadi at 10:30 am in Seminar Hall. At first, the programme was started with Qirath by **Mr. K. Mohammed Saihaan (II B.Sc. Biotechnology)**, followed by Tamilthai Vazhthu. **Mr. C. Muhammadh Uckasha (III B.Sc. Biotechnology)** welcomed the gathering with warm words.

**Dr. T. Mohamed Ilyas**, Principal, Islamiah College (Autonomous), gave the Presidential Address and shared his view on importance of biotechnology and its role in the modern era. He highlighted the achievements of the Biochemistry and Biotechnology alumni of our College, now working as

Scientists, Research associates and in other capacities in different parts of the world. He encouraged and motivated the undergraduate and postgraduate students to go for higher education.

**Dr. T. Afsar Basha**, Vice Principal and IQAC coordinator felicitated the Biotechnologists' Association. In his address, he endorsed the role of biotechnology in environment and also motivated the students to take up research. He emphasized on the key role of students particularly Biotechnology students to protect and conserve environment.

**Dr. H. Abdul Jaffar Ali,**  
Associate Professor and  
Head, Dept of  
Biotechnology introduced  
the Chief Guest to the  
audience and gave a small  
note on significance of  
Biotechnology Association.

The Chief Guest **Dr. Aruliah Rajasekar, Ramalingaswamy Fellow, Associate Professor and Head, Department of Biotechnology, Thiruvalluvar University, Vellore** addressed the audience with his lecture about the biofilm formation. He explained the mechanism of biofilm formation in Iron and also explained how to combat this issue in a brief manner. Students actively interacted with chief guest and all the questions raised by the students were answered and doubts were cleared by the chief guest in an interactive way.

In conclusion, a formal vote of thanks was proposed by the **Mr. E. D. Dhinesh III B.Sc. Biotechnology**. The entire programme was organized meticulously by student communities with the guidance of all the faculty members of Department of Biotechnology. **Mr. A. Mohamed Aamir, (III B.Sc. Biotechnology)** acted as Master of Ceremony. In this programme, a total of 162 Students participated in this programme. The programme was ended successfully with National Anthem.

## Department of Computer Science

### Report on Advances in Artificial Intelligence

13-12-2023

The Department of Computer Science successfully conducted a workshop titled “*Advances in Artificial Intelligence*” on December 13, 2023. The event aimed to provide insights into the latest trends and developments in the field of artificial intelligence (AI), fostering a deeper understanding among students and faculty. The workshop witnessed enthusiastic participation, with around 150 students from B.Sc., CS and B.C.A. Several faculty members and invited guests were also present, contributing to the event's vibrant atmosphere.

### Key Highlights of the Workshop

1. **Inauguration Ceremony:**

The session began with a welcome address by the Head of the Department, who emphasized the importance of AI in shaping the future and its relevance in various industries.

2. **Guest Speakers:**

Renowned AI experts, **Mr. AKASH B of ADOVI TECHNOLOGIES, Bengaluru** delivered keynote addresses. They discussed cutting-edge topics such as generative AI, ethical AI, and advancements in natural language processing (NLP).

3. **Hands-on Sessions:**

The workshop featured interactive sessions where participants worked on AI models, explored neural networks, and developed simple machine learning algorithms under the guidance of experts.

4. **Panel Discussion:**

A panel discussion on *The Future of AI: Opportunities and Challenges* engaged students and faculty in a thought-provoking dialogue. Panelists addressed questions related to AI ethics, job automation, and AI's role in healthcare.

5. **Feedback and Closing Ceremony:**

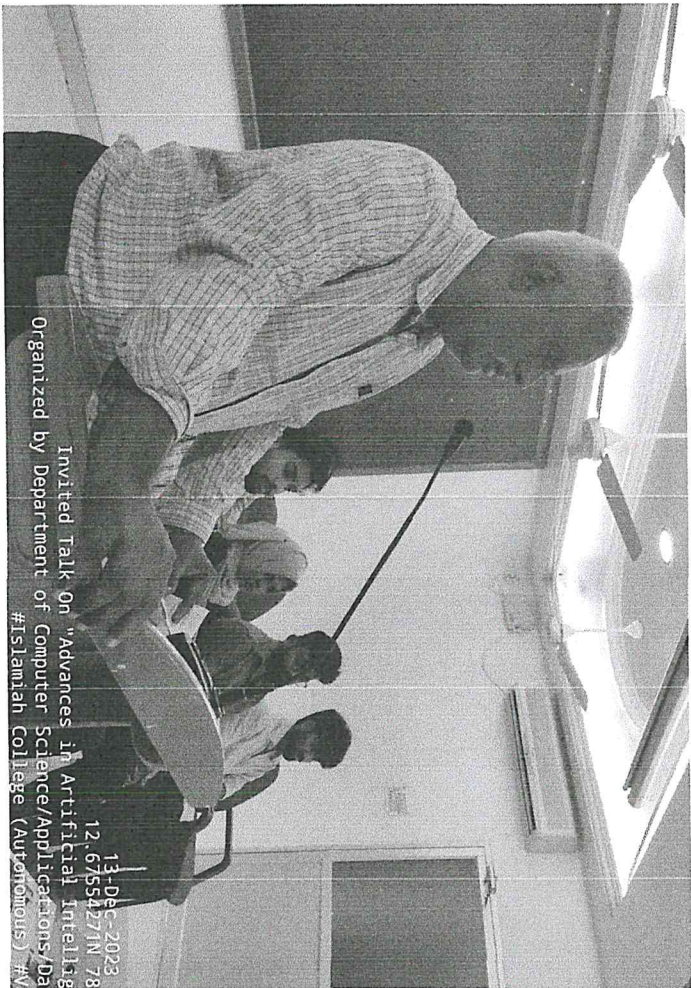

The workshop concluded with a feedback session where participants appreciated the comprehensive coverage of topics and the practical knowledge imparted. Certificates of participation were distributed to all attendees.

### Conclusion

The workshop provided a valuable platform for students to learn about the latest advancements in AI and gain hands-on experience. The Department of Computer Science received positive feedback, and participants expressed a keen interest in attending similar events in the future.

Workshop report on

### Effective Data Analytics with AI

Conducted on 22-02-2024

Workshop started with prayer and thamizh thai vazhthu. Principal of Islamiah College Dr. T.Mohammed Ilyas , Vice Principal Dr Afsar Basha , Controller of Examinations Dr F. Liyakath Ali Khan presided over the inaugural function. HOD of Computer Science Prof P. Magizhan welcomed the gathering and gave the key note address. Principal addressed the gathering with the importance of keeping pace with the advancement in technology. After the tea brake the workshop started by 11.30 am with a discussion on Industry 4.0 standard and switched over to Data Analytics concepts using IPL DATASET in Kaggle.Com website. Students were trained about

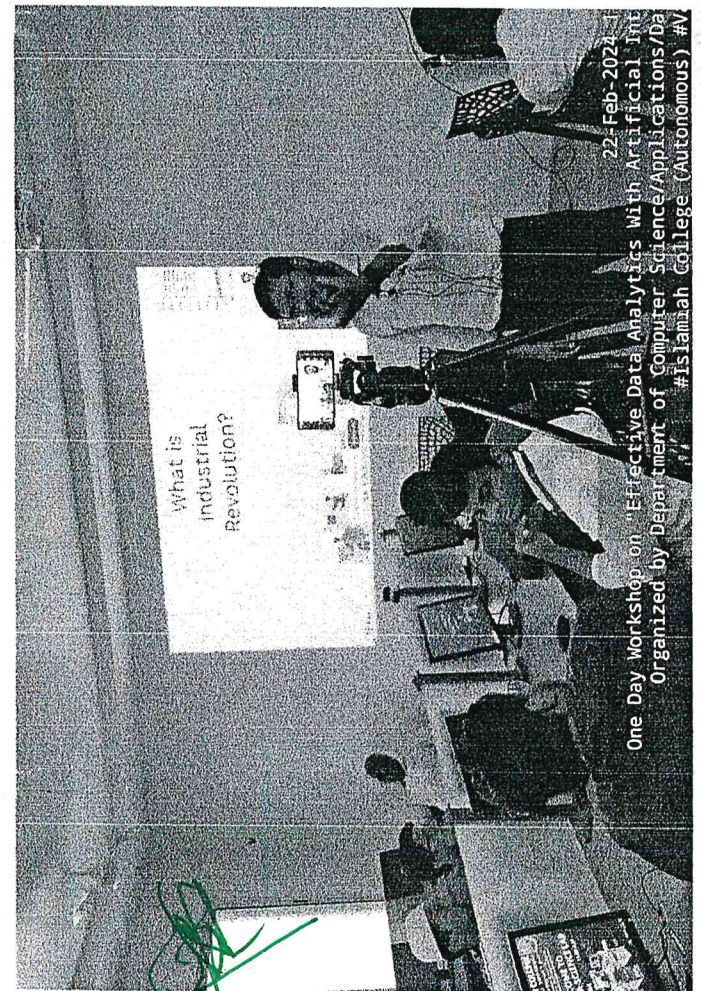

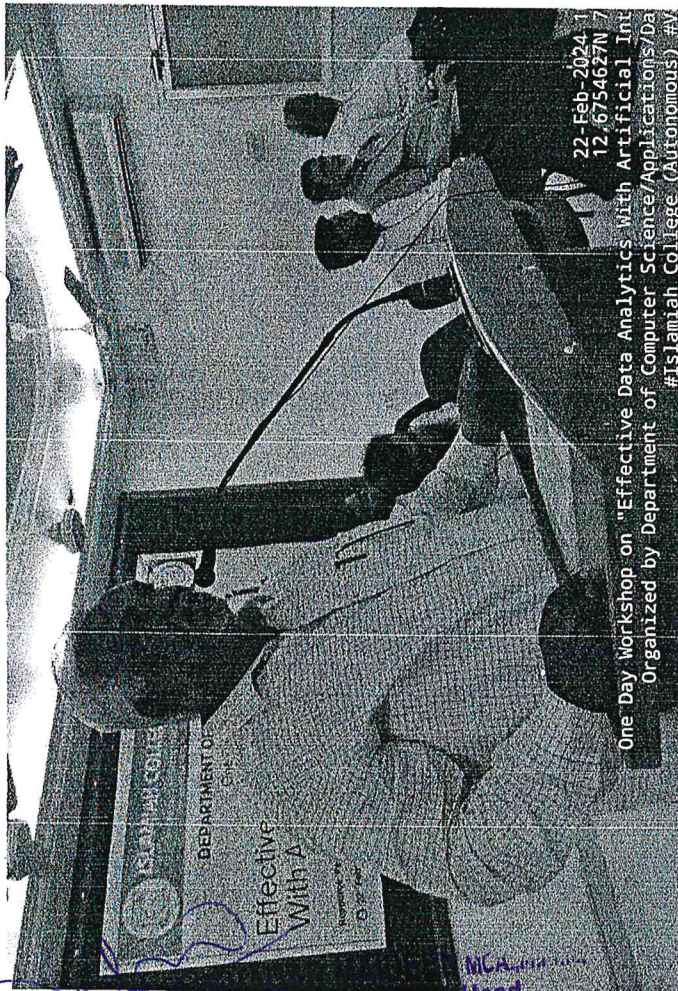

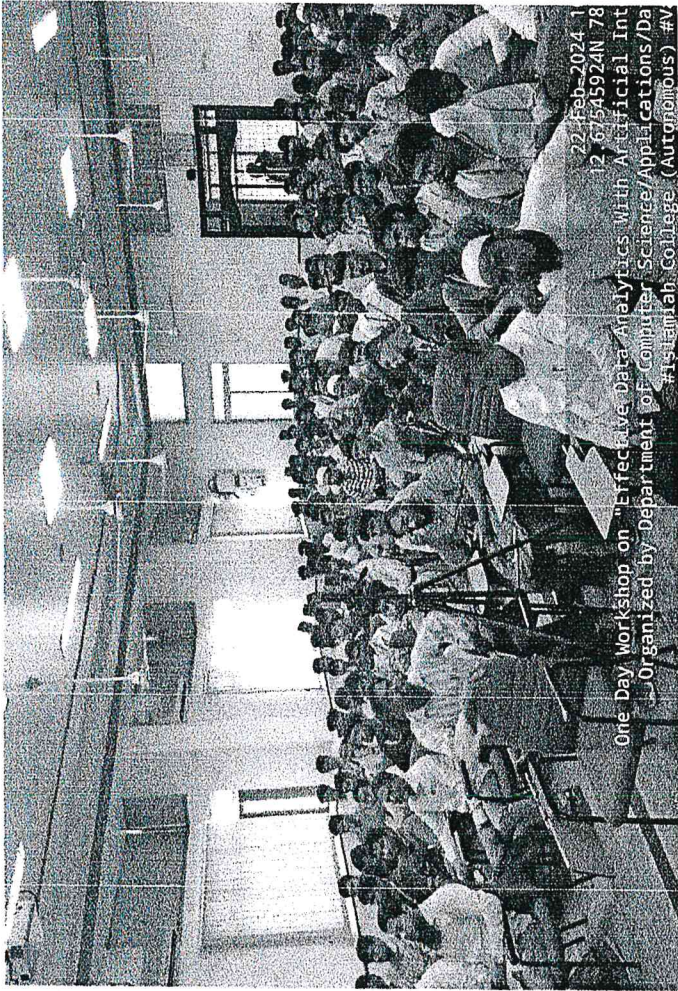

1. Using AI open source tools to retrieve required data from the data set.
2. How to raise multiple queries using AI tools
3. How to transfer retrieved data to spreadsheet?
4. How to present retrieved data in documents form.

Over 150 students participated in the workshop and got benefitted. All the participants were given participation certification in the valediction function held at 4.30 PM . Attention and eagerness of the students throughout the workshop was very much appreciated.

**Report on Inauguration of Commerce Association and Seminar on  
Role of Artificial Intelligence in Commerce**

The PG & Research Department of Commerce on 4<sup>th</sup> September 2023 at Allama Iqbal Auditorium Inaugurated the Commerce Association on the eve of inauguration a Seminar was organised on Role of Artificial Intelligence in Commerce.

The programme commenced with Invocation by Mr. M.Mohammed Salim of II B.Com., followed by Tamizh Thai Vazhthu. Dr.V.Valeeullah, Assistant Professor of Commerce, welcomed the gathering and gave brief introduction about the role of artificial intelligence in commerce.

Dr. T. Mohamed Ilyas, Principal & HOD of Commerce, emphasised the need on learning the artificial intelligence to commerce students and highlighted the future of artificial intelligence by citing many practical-examples. He also described applications of artificial intelligence in various industries and how it was useful for academic purposes by way of his felicitation address.

Dr.T.Afsar Basha, Vice-Principal, Dean & Associate Professor of Commerce enunciated the significance of artificial intelligence in terms of its usage in major E-Commerce platforms viz. Amazon, Flipkart, Snapdeal. He further elaborated uses of artificial intelligence in commerce in his felicitation address.

Dr.V.Saravanan, Assistant Professor, Department of Business Administration, Guru Nank College, Chennai delivered his key note address on the theme of artificial intelligence in commerce and narrated crucial applications of artificial intelligence in banking, insurance, stock market etc. He further interacted with the students with regard to application of artificial intelligence.

Dr. S. Thameemul Ansari, Assistant Professor of Commerce, proposed the vote of thanks and the seminar ended with the National Anthem. The programme received overwhelming responses and nearly 400 students from PG & Research Department of Commerce were benefited from this programme.
