HOD OF CHEMISTRY

Students of Chemistry in the undergraduate program undergo internship /industrial training program (Course code: UACHPJ61) by utilizing the end semester holidays and week end holidays from the end of fourth semester and complete the program in the beginning of the fifth semester. They submit a report on the internship /industrial training undergone by them to the college through the department. The internship /industrial training program are undergone by the students under the supervision of a staff member. All the necessary arrangements are done by the department to encourage the participation of students in the program. For the academic year 2023-24, fifty four students have undergone the internship program. Fifty two students have preferred Vanitec Private Limited, Vaniyambadi. One student has preferred Talco Pertec Pernambut and another student has preferred N.M.Z Tannery shoe Company, Ambur. Most of the students preferred the internship in tannery effluent treatment and industrial waste water management, since the industries are located in Vaniyambadi, Ambur and Pernampet. The performance of the students in the internship /industrial training would be evaluated by a external examiner in the sixth semester UG program.

Dr. K. ANANDARATCHAGAN  
HOD OF CHEMISTRY

Students of Chemistry in the postgraduate program undergo a discipline specific elective course in which three electives are given with course codes PBCHPJ41/ PBCHPJ42/PBCHSEP5. The P.G students of chemistry opted for the elective Project work, Research Methodology and Spectral Interpretation (PBCHPJ41) in the academic year 2023-24. To facilitate the performance of the students in completing the elective paper a guide teacher is appointed for each and every student in the beginning of the academic year. In the third semester the students have completed the preliminary work for their project work and in the fourth semester they carried out the experimental work. Students who are interested in carrying out their project work in pharma, chemical, leather and food industries are encouraged and necessary arrangements are done by the department.

The students submit a report on the project work carried out by them through the guide teacher to the department which is evaluated by an external examiner at the end of fourth semester. 25 students had completed their project work in the academic year 2023-24 and they have undergone the evaluation process also.
