ACTIVITIES OF STUDENT SUPPORT SERVICES

The Islamiah College, Vaniyambadi maintains around 19 support services for the benefit of student community. The activities of various support services are given in detail.

1. CONTROLLER OF EXAMINATIONS

The office of the COE has conducted internal tests periodically for the award of internal marks to the students of Islamiah College by following the centralized examination system. The tests are conducted by following a fixed schedule through setting question papers and valuing the answer papers by the faculty members of various departments. The end semester examinations are conducted in a centralized manner with a schedule and by receiving question papers from the external examiners. The practical examinations for the science department are conducted under the supervision of an external examiner. The answer scripts for the UG courses are valued by internal examiners and for the PG courses the valuation is done by the external examiners.

The rules and regulations of the college in conducting the examinations, valuation of the answer papers and publication of results are strictly followed. The students are also given an opportunity to go for revaluation and instant examination. The students who have completed their courses were awarded with their degrees through the graduation day celebrations in a grand manner. In the academic year 2023-24, nearly 1880 students have received their degrees in three phases on 12th, 20th, and 26th August 2023. Results are published immediately after the paper evaluation. The office of the COE coordinates in conducting examinations for value added certificate courses for UG/PG students and course work examinations for research scholars of Islamiah College.

An Orientation Programme for explaining CBCS – Choice Based Credit System and Examination System to the first year students of UG programmes was conducted on 23.06.2023 and 27.06.2023.
