**COVID-19 AWARENESS PROGRAMME**

Venue: Vaniyambadi Bus Stand and Government Hospital,

Date: 26<sup>th</sup> August 2021, Thursday.

Time 10:00 am to 01:00 pm.

**REPORT OF EXTENSION ACTIVITY**  
**ON**  
**“COVID-19 AWARENESS PROGRAMME”**

**Background**

Coronavirus disease (COVID-19) is an infectious disease caused by the SARS-CoV-2 virus. The virus that causes COVID-19 is mainly transmitted through droplets generated when an infected person coughs, sneezes, or exhales. These droplets are too heavy to hang in the air, and quickly fall on floors or surfaces. You can be infected by breathing, if you are within close proximity of someone who has COVID-19, or by touching a contaminated surface and then your eyes, nose or mouth. Most people who fall sick with COVID-19 will experience mild to moderate symptoms and recover without special treatment.

In response to the spreading pandemic and its effects on people's lives, Department of Biotechnology, Islamiah College (Autonomous), Vaniyambadi decided to conduct an awareness programme by distributing face mask and hand sanitizer prepared in the institution and to promote preventive measures to break the transmission chain of COVID-19 in all age groups.

**Objectives:**

1. To make awareness on COVID-19 disease.
2. To educate people of all age groups.
3. To distribute free face mask and hand sanitizer

**Inauguration**

The inauguration programme was presided over by Dr. T. Mohamed Ilyas, Principal, Islamiah College (Autonomous), Vaniyambadi at 10:00 am in the premise of college campus.

At first, the programme was started in Bus Stand of Vaniyambadi Town by distributing face mask and hand sanitizer to all age groups with the prior permission from Deputy Superintendent of Police, Sub – Inspector of Police and Revenue Divisional Officer, Vaniyambadi Town, Thirupattur District.

In this programme, students representing different classes of our Department under the guidance of Dr. H. Abdul Jaffar Ali, Co-ordinator, were very keen in encouraging the public people to use face mask and hand sanitizer and educating them by showing pluck cards and by oral words. They also clearly explained the ways to improve the immunity of body and food style which could prevent from viral infections.

Then after, the programme continued at Government Hospital of Vaniyambadi Town, where Dr. D. Senthil Kumar, MBBS., MD, Dr. Parthiban, MBBS., MS Orthopedic, Dr. Nadeem Ahmed, MBBS., MS, and Dr. G. Chakravathy, MBBS., MS Orthopedic, distributed face mask and hand sanitizer. They shared their knowledge about the Corona Virus, Safety Measures to prevent from virus, Symptoms of Corona Virus and how the virus is spreading among people.

During this programme, the whole team followed the guidelines and SOP prescribed by the Government of Tamilnadu.

The entire programme was organized meticulously by Dr. ML. Mohammed Kaleem Arshan, Asst. Prof. of Biotechnology along with the Covid – 19 containment Nodal Officer Dr. N. Shabeer Ahmed, Asst. Prof. of Biotechnology.

The programme was ended successfully at 1.00 pm.

Thanking you
