ORIENTATION PROGRAMME ON BIOENTREPRENEURSHIP

REPORT

Background

Institutions Innovation Council (IIC) at institute is a unique model based on Hub-Spoke and coherence approach to align with the innovation and entrepreneurship promotion and support programs are being organized by various departments and ensures round the year activities in campus for effective engagement, learning and practicing innovation and entrepreneurship among student and faculty community. Ideally, Institution Innovation Council is a faculty led but student centric body formed by the institute with active representation of entrepreneurial faculties, students and expert's representations from regional ecosystem enablers, pre-incubation and incubation centres within and outside the institute and work in synergy manner towards to provide platform to encourage, inspire and nurture young students by exposing them to new ideas and process of resulting in innovative activities and entrepreneurial in their formative years. It speeds up the commercialization of R&D outputs and creates additional avenues of employment.

Keeping this in mind Department of Biotechnology, Islamiah College (Autonomous), Vaniyambadi has initiated to conduct a orientation programme on Bioentrepreneurship, with a vision to inculcate entrepreneurship among the alumni/students/faculty/any young mind and technocrats from this region.

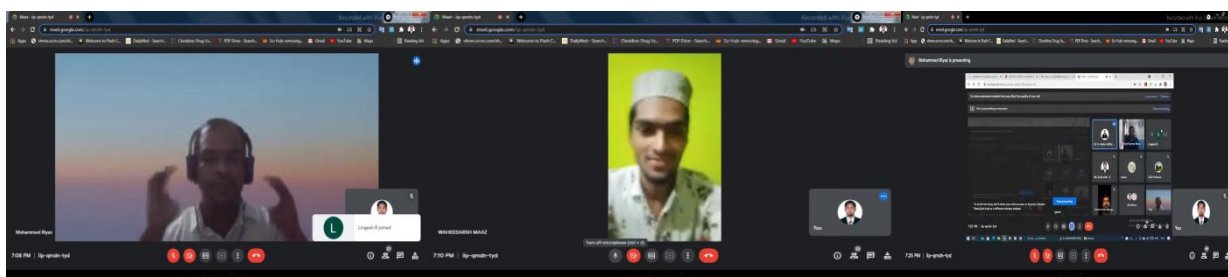

Objectives

1. To facilitate the sparks of budding entrepreneurs.
2. To inculcate the young student minds from ideation to start-up establishment through mentoring.
3. To bridge the start-ups with the angel investors & venture capitalists.

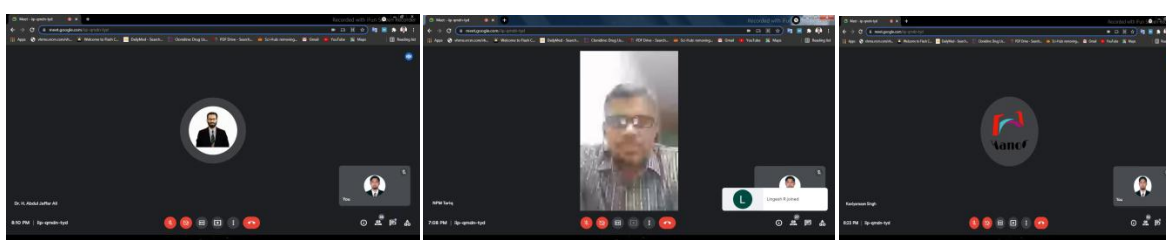

Programme Report

The inauguration programme was presided over by Dr. H. Abdul Jaffar Ali, Assistant Professor & Head, Department of Biotechnology, Islamiah College (Autonomous), Vaniyambadi at 7:00 pm in the Google meet platform (meet ID: iip-qmdn-tyd).

At first, the programme was started with Qirat by Mr.Waheed (I Year M.Sc. student) and followed by Welcome address given by Dr.H.Abdul Jaffar Ali (HOD), followed by this, introduction of Islamiah College Innovation and Incubation council was addressed by Dr.S.U.Mohammed Riyaz & Dr.N.P.M.Mohamed Tariq, where they have addressed with emerging entrepreneurs in terms of providing space, machinery, equipment, computing facilities, communication networks, start-up friendly infrastructure, individual incubation cells with common resource sharing arrangements, know-how to overcome their problems and facilitate in filing patents etc., including commercial exploitation to benefit society.

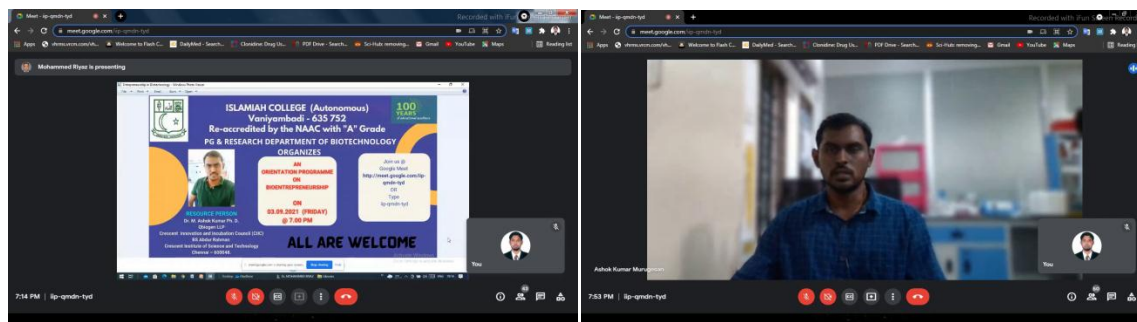

In this programme, nearly 50 participants which is included Alumni and current students actively involved in this programme, Dr. H. Abdul Jaffar Ali, Convener and Dr. S.U.Mohammed Riyaz, Organizing Secretary, were very keen in encouraging the students to trigger the young minds to think different, with a vision to inculcate entrepreneurship among the students/faculty/any young mind and technocrats from this region, to build a campus filled with opportunities to scale-up to tap business opportunities.

Followed by these, Resource person Dr. M. Ashok Kumar, Qbiogen LLP, CIIC, Chennai has participated and guided the students, researchers and incubatees by nudging the entrepreneurs with innovative ideas. He also shared some ideas and guidelines to all the participants, on what they should do if students or faculty members are interested in startups and educating new generation of innovators and problem solvers. During Students interaction time with resource person, the participants had raised many questions with resource person on policy

making, streamlining innovations, start-up ecosystem at institutional level and patenting procedures.

Formal vote of thanks addressed by Dr. N. Shabeer Ahmed, Asst. Prof. of Biotechnology. The entire programme was organized meticulously by Dr. S.U.Mohammed Riyaz, Asst. Prof. of Biotechnology along with the other faculties in department. The programme was ended successfully at 8.15 pm.

Thanking you

Dr.S.U.MOHAMMED RIYAZ
Organizing Secretary
