**ISLAMIAH COLLEGE (AUTONOMOUS)  
NEW TOWN, VANIYAMBADI.**

**DEPARTMENT OF ENGLISH  
BRIDGE COURSE**

Course Coordinator: Prof. R. Md. Sulaiman

**Consolidated Report of 'Bridge Course' for the Academic Year  
2022-2023**

The Department has conducted Bridge Course for the freshers who hail from rural or in other words "remote background". These students graduate from Public Schools where exposure to the English language is minimal. Another fair percentage of students get graduated from forest schools where the exposure to the English language is almost zero. An English Assessment Test conducted for Undergraduate Students after three weeks of their enrolment.

**Syllabus for Bridge Course**

Foundation English Paper-1 focused purely on grammar and conversational practices. Topics covered are situational grammar, reading a sentence or passage with stress and intonations and an active listening by giving cloze test.

**Enrolment of Students**

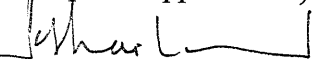

For the academic year 2021-2022, 620 students had enrolled for the Course and 580 of them took part in the test. The classes were conducted from (18-07-2022) from the date of reopening for the odd Semester for Three weeks.

**Conduct of Classes by Faculty Members**

Classes were conducted by the Faculty Members in the respective classes following the Odd Semester Time-Table. Since, the College reopened teaching of basic Grammar and sentence formation were part of the syllabus taught.

**Conduct of Proficiency Level Test**

Bridge Test to diagnose the student's proficiency level in English Language. The Department has set the Assessment questionnaire which would help in identifying the areas to be trained which provide additional information to change the teaching strategy. Diagnostic test conducted on 31-10-2022 for B.Sc. & BA and BBA & B.com (General, Finance and Accounts and Computer Applications) respectively.

**DEPARTMENT OF ENGLISH  
ONLINE CERTIFICATE COURSE IN SPOKEN ENGLISH**

Course Coordinator: KHADER NAWAZ

**Consolidated Report of 'Certificate Course In Spoken English' for the Academic Year  
2022-2023**

The Department of English has been conducting Certificate Course in Spoken English Language for UG students since 2014. Apart from the regular classes, conducting an intensive Certificate Course helped students to communicate without hesitation and to create a language speaking environment by themselves with other learners.

**Enrolment of Students**

For the academic year 2022-2023, **90** students from Second Physics, Chemistry, Bio-Chemistry, Bio-tech, B.Sc. Computer Science, B.com(General), B.com(CA), B.com(FA), BBA and Second and Final year students from B.Sc. Mathematics and B.A English enrolled for the course and **45** had completed the course. The classes were conducted in the months of January, February and March, 2023.

**Conduct of Classes**

Classes were conducted by the Faculty Members in the respective classes following the Even Semester Time-Table. The classes were conducted in a very accommodative way with the sizeable student strength so as to focus on individual's performances.

**Grading of Scripts and Distribution of Certificates**

Based on the range of marks scored by the students is then converted in to Letter Grades:

MARKS	LETTER GRADE
96-100	O
86-95	A+
76-85	A
66-75	B+

Students attended the classes with much enthusiasm but **45** students took the test with greater interest.

**TOPIC:** *Tenses in English*

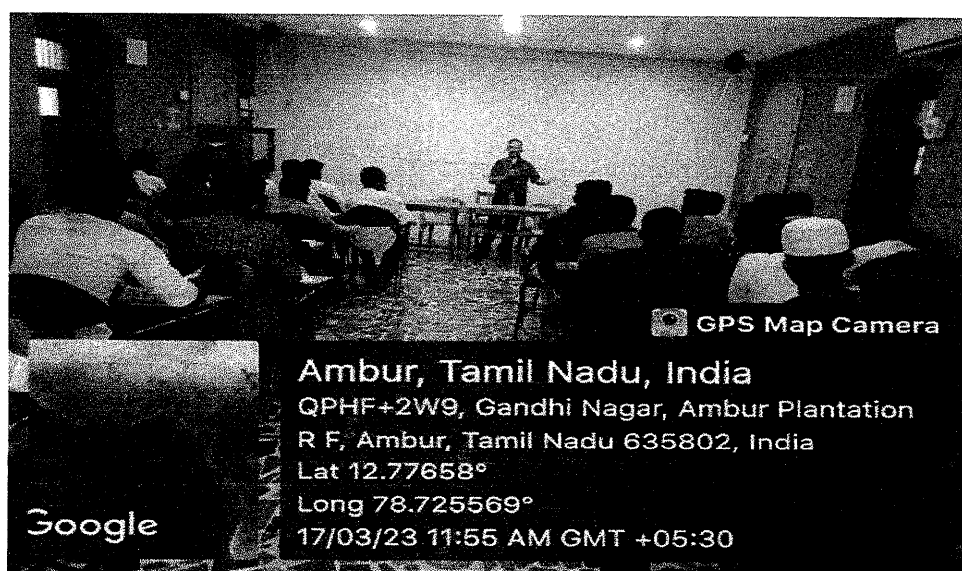

**DATE:** 17-03-2023

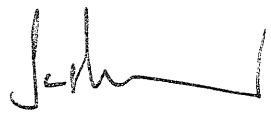

**RESOURCE PERSON:** Dr Mohamed Sahul Hameed

**TIME:** 11am-12:30 pm

**VENUE:** Multimedia

The Department of English conducted a guest lecture on the 17th of March 2023. The resource person was Dr Mohamed Sahul Hameed, spoke on the topic - *Tenses in English*, first year students of B.Com (CA) were taught in a simple and easy method of learning and retaining its grammatical structure.. Dr Mohamed Sahul Hameed made the session very interesting by involving the students to practice the basic structure by themselves. Students were shown series of slides that helped them to identify the correct structure and usage of English. The session was very interactive and prompted to clarify many doubts.

**TOPIC:** *Common Errors in English- An Analysis*

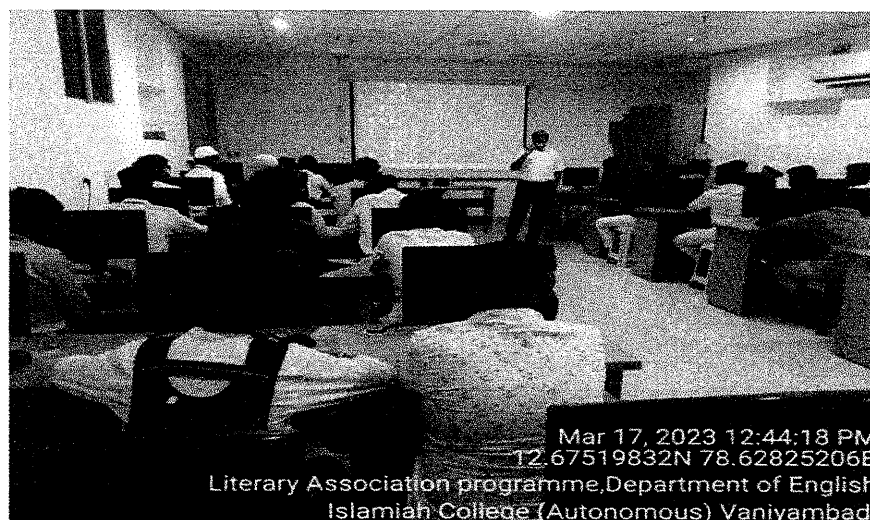

**DATE:** 17-03-20

**RESOURCE PERSON:** Dr G.Christopher

**TIME:** 11am-12:30 pm

**VENUE:** Language Lab

The resource person was Dr G.Christopher, spoke on the topic - *Common Errors in English- An Analysis*, for the students of B.A. English-B.Sc. Mathematics and B.com(CA). Students were taught mainly on sentence construction which can help them to prevent the miscommunication in their work environment. The resource person also mentioned the importance of grammar and vocabulary development that can help them to convey the idea without any obstacle. Dr G. Christopher made the session very interesting by pointing out the most frequently committed common errors. Students were shown series of slides that helped them to understand the punctuation marks, spelling, capitalization and subject-verb agreement of the English Language. The session was very interactive and driven to make clear many doubts.

**TOPIC:** *Enhancing Interview Skills*

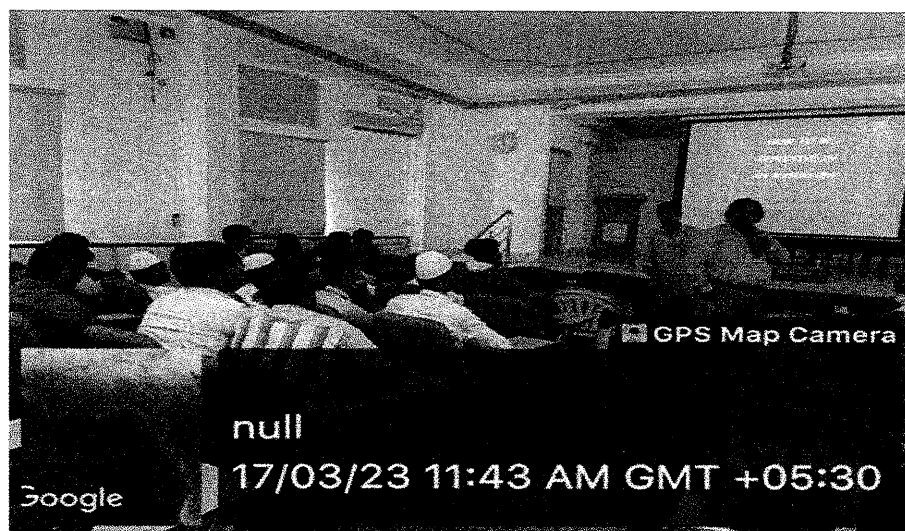

**DATE:** 17-03-20

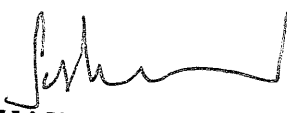

**RESOURCE PERSON:** Dr Anil Premraj

**TIME:** 11am-12:30 pm

**VENUE:** Seminar Hall

The resource person was Dr Anil Premraj, spoke on the topic *Enhancing Interview Skills*, for the students of B.com(FA), BBA and B.Com (General). Students were taught how/what the job seekers have to equip themselves for the interview. The resource person mainly focused on the technical skills and workplace skills which are quintessential to sustain a position in a workplace.. The resource person also mentioned the importance of verbal and non-verbal communication which can help them to through the right job. Anil Premraj made the session very interesting by pointing out how skills, experience and perosonality meets the job requirements. The session was very interactive and helped our students to understand and how to improve the interview performance.

**TOPIC:** *Use of Technology for Learning Foreign Languages*

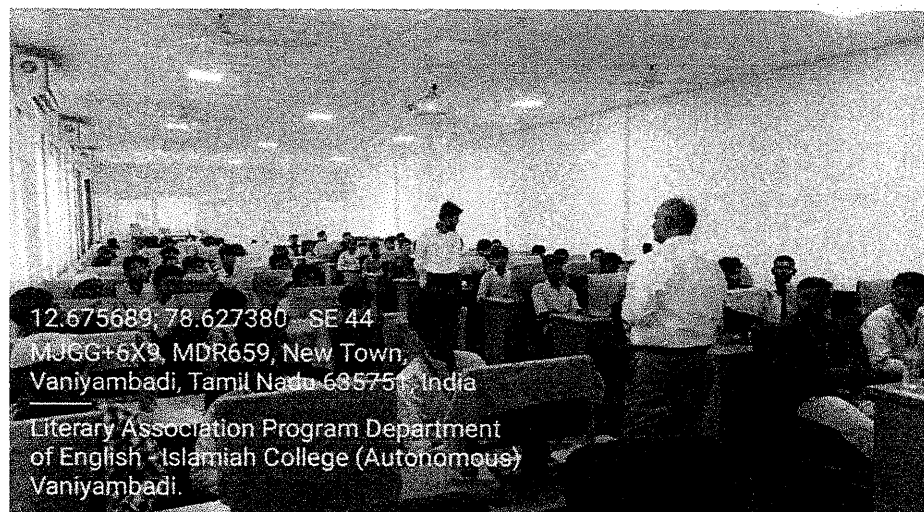

**DATE:** 17-03-20

**RESOURCE PERSON:** Dr R. Calaivanane

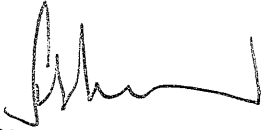

**TIME:** 11am-12:30 pm

**VENUE:** Commerce Lab

The resource person was Dr R. Calaivanane, spoke on the topic ***Use of Technology for Learning Foreign Languages***, for the students of Bio-Chemistry and Bio-tech. Students were informed how a language can be mastered inside the classroom or outside the classroom with the use of technology. The resource person mainly focused on how to practice a language to its perfection by following few strategies. The resource person also discussed about the emerging technologies, online resources and learning tools. Dr R. Calaivanane made the session very interesting by pointing out how easily a language can be acquired with help of technology and also learning the each component of the language such as listening, speaking, reading and writing. Resource person also discussed about the computer-based language learning activities. Students enjoyed the session.

### 5.1.3 REPORT OF SOFT SKILLS, COMMUNICATION PROFICIENCY, AND TECH SAVVINESS AMONG OUR STUDENTS (2022-23)

#### Introduction

The Department of Business Administration (ICBA) at Islamiah College (Autonomous), Vaniyambadi, is committed to providing students with a well-rounded education. This report highlights the courses that focus on developing soft skills, communication skills, and technical proficiency, during the academic year 2022-23, ensuring our students are equipped for success in the modern world.

#### Course 1: Professional Communication for Commerce & Management

This course is designed to build essential communication skills. It encompasses:

- **Soft Skills:** Students learn to express themselves with confidence, which is crucial for professional success.
- **Communication Skills:** The course hones listening, speaking, and presentation skills, enabling students to communicate effectively.
- **Tech-Savviness:** By exploring digital trends in communication, students stay current with technology's impact on professional discourse.

#### Course 2: Physical Education - YOGA

Yoga fosters numerous soft skills, including:

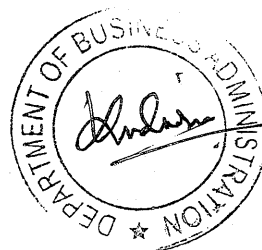

- **Self-Discipline:** Regular practice instills discipline, essential for any endeavor.
- **Stress Management:** Yoga equips students with tools to manage stress, a vital skill in today's fast-paced world.
- **Resilience:** It nurtures mental and physical resilience, vital for facing life's challenges.

#### Course 3: Health & Wellness

This course emphasizes holistic well-being:

- **Interpersonal Skills:** Students gain insights into interpersonal skills through topics like mental health and emotional well-being.
- **Self-Management:** Learning to balance physical and mental health nurtures self-management abilities.

## BACKGROUND

The Hands on training will be provided in Animal cell culture laboratory which will be useful for the young researchers working in cancer biology aspects. A hand on training not only provides skills in a particular area, but trains them to build and enhance practical knowledge, in executing their research precisely. The programme, Two days Hands on Training on "Basic Techniques in Animal Cell Culture" is a golden opportunity for the Research Scholars and Students of our college and for other colleges also, who are interested in pursuing research in cancer biology field. This workshop is designed to give an overview of cell culture applications in biotechnology. This includes lectures by eminent scientists and experts on cancer biology, cell culture development and maintenance. Hands on training will be provided on cell culture such as trypsinization and passaging of cancer cells, cell counting, drug treatment to cancer cells, MTT assay and cell migration assay.

## OBJECTIVES

In this context, this workshop is aimed to motivate the young researchers in the field of cancer biology with following objectives:

- 1) To train the participants with the principles, technical requirement, scientific and commercial applications of cell lines.
- 2) To expose the participants in cell culture.
- 3) To motivate the young researchers to become a key scientist in cancer biology research Institutes and pharmaceutical industries for drug development.

## PROGRAMME REPORT

The programme was presided over by Dr. H. Abdul Jaffar Ali, Convener, Assistant Professor and Head, Department of Biotechnology, Islamiah College (Autonomous), Vaniyambadi at 10:30 pm in Multimedia Hall.

## INAUGURATION

At first, the programme was started with Qirath by **Mr. Thalha Mudassir** (III Year B.Sc. Student) and followed by Welcome address given by Dr. M.A. Farook (Biotechnology Association Co-ordinator). **Dr. A. Liyakath Ali**, HoD of Dept. of Biochemistry, in his felicitation address, appreciated the activity of the Biotechnology association in terms of organizing the association function and stressed the importance of animal cell culture research in pharmaceutical industries and in research career for PG & Ph.D. scholars. He encouraged students to do good research in future career and its importance in life.

Followed by this, **Dr. Dr. H. Abdul Jaffar Ali** introduced **Chief Guest Dr. S. Abdul Majeed**, Assistant Professor of Zoology, C.A. Abdul Hakeem College (Autonomous), Melvisharam and Honored with memento and shawl.

Our Chief Guest **Dr. S. Abdul Majeed**, delivered a lecture on “Application of Fish cell line for Toxicology”, by nudging the students and also shared some research ideas and guidelines to all the participants, regarding various advanced techniques in Cell Culture research. Followed by this, in interaction session, students actively interacted with chief guest and questions were answered and doubts were cleared by the chief guest in an interactive way.

At the end, the Organizing Secretary, **Dr. S.U. Mohammed Riyaz**, delivered a formal vote of thanks.

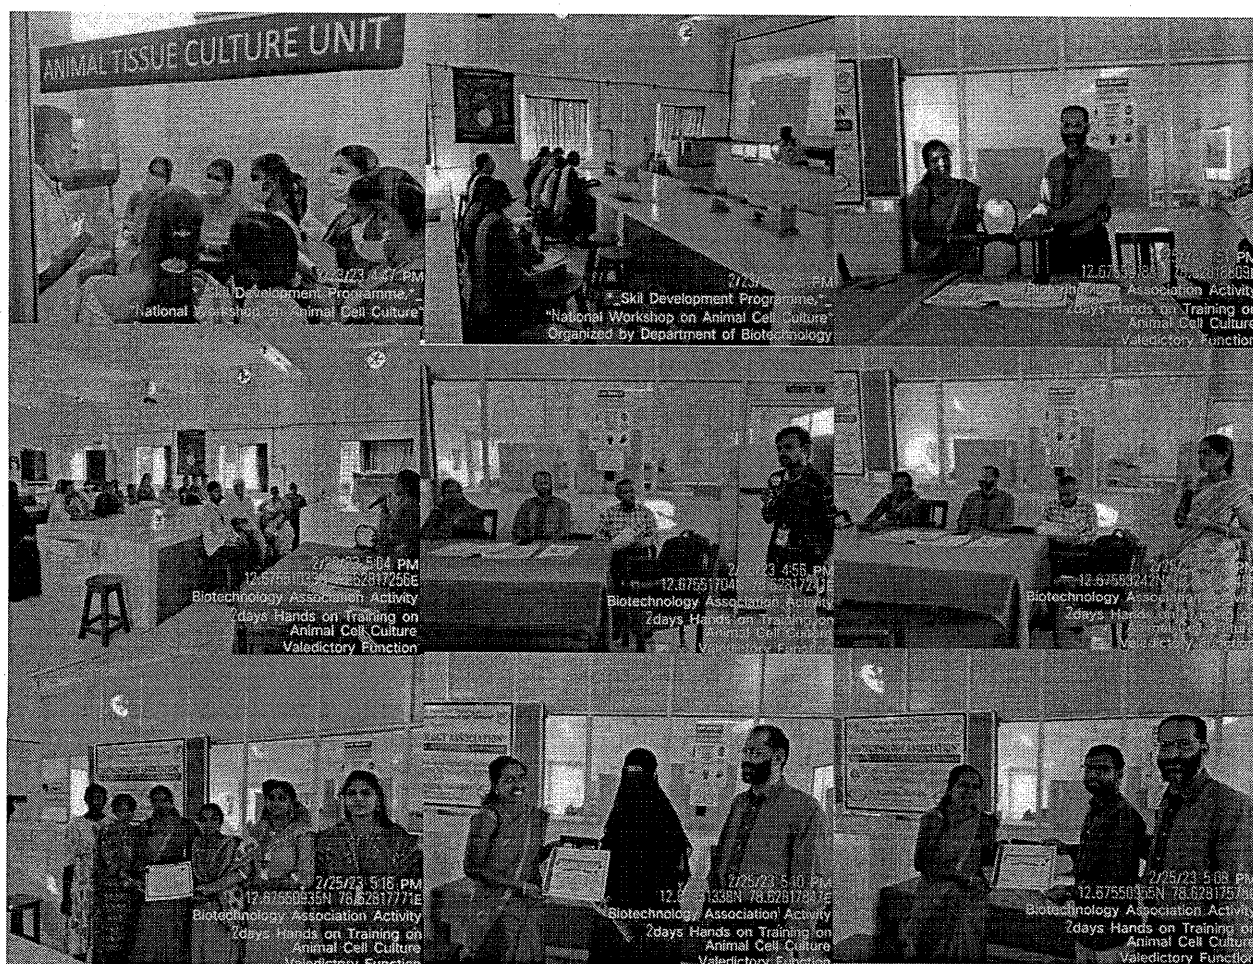

## WORKSHOP

In this programme, total 18 participants, which include final year UG & PG Students, M.Phil and Ph.D. Research Scholars from four different colleges across the state namely Thiagarajar College (Autonomous), Madurai, D.K.M. College (Autonomous), Vellore, Sacred Heart College (Autonomous), Tirupathur, and Islamiah College (Autonomous), Vaniyambadi, were trained on Animal Cell Culture Techniques. They actively participated in hands on training for two days.

## VALEDICTORY FUNCTION

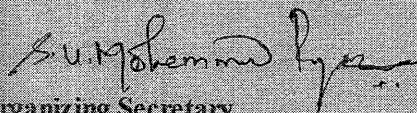

As part of Valedictory function, Chief Guest **Dr.M.Gomathi, Assistant Professor & Head, Department of Biotechnology, MKJC College, Vaniyambadi** was invited and honored by Dr. H. Abdul Jaffar Ali, Convener, HoD, Department of Biotechnology and subsequently Introduction of Chief Guest was done by Organizing Secretary, **Dr. S .U. Mohammed Riyaz**. Dr. Gomathi delivered a Valedictory address and distributed the certificates.

In conclusion, evaluation test was conducted for participants along with the feedback form. The participants shared their experience of these hands on training. Formal vote of thanks was given by Mr. K. Karan, II Year M.Sc. Biotechnology Student. The entire programme was organized meticulously by the Convener, Organizing Secretary and Co-organizer of the Hands on Training. The programme was ended successfully at 4.30 pm with National Anthem.

Thanking you

**Department of Computer Science, Islamiah College , Vaniyambadi**

**Workshop report on**

**"Advanced Excel with VBA"**

**Date: 06 & 07 March 2023**

The workshop was organized by Department of Computer Science, Islamiah College, Vaniyambadi, keeping in mind the job opportunity for students as Data Analyst and to update their knowledge. The resource person was **Mr. Khizar Ahned syed** , Dell Technologies, Bangalore . The work shop was conducted in four sessions over two days .

The workshop was attended by two hundred participants. The morning session of first day dealt with tables and functions of Excel . The participants learnt about advanced level of using tables and functions. The afternoon sessions dealt with macros of Excel . Participants learnt about how to automate repetitive works. The morning session of second day dealt with objects. The afternoon session dedicated to VBA . All the sessions were more of interactive with hands on approach. The Workshop manual was prepared and released during the workshop itself. All the participants were given Certificates of participation .
