ENVIRONMENT AND ENERGY USAGE POLICY

Islamiah College(Autonomous),Vaniyambadi has adopted Environment and Energy Conservation Policy to develop the sense of maintaining a clean environment and energy conservation among all its stakeholders. The institution aims at realistically and comprehensively reducing energy consumption, assure acceptable indoor air quality and improve energy efficiency on campus through methods that are consistent with a safe, secure, and Eco-conscious campus community.

Applicable to:

Faculty, staff, students and visitors.

Environment Conservation Practices:

- ❖ Measures to reduce usage of paper in the campus by introducing online examinations to certain courses, e-circulars etc.,
- ❖ Effective disposal of e-waste through MOU with e-waste recycling companies
- ❖ Prohibition of smoking inside the campus as well as creating awareness among the students about the ill effects of smoking .
- ❖ Recycling of water discharged from laboratories by setting up recycling plants.
- ❖ Encouraging the staff and students to use public transport, bicycles.

Energy Conservation Practices:

- ❖ Islamiah College(Autonomous) has developed a plan to save energy at the institution level . Thus the institution has adopted a mechanism to use renewable energy and install 25 KWH Solar Power Station. This ensures 24x7 power supply from renewable energy source, thus contributing to Environmental Sustainability.
- ❖ Water conservation is done by installation of rain water harvesting system.
- ❖ Annual Energy and Green audit are made mandatory.
- ❖ Our Energy conservation practices include the College replacing all tube lights with LED tubes, LED bulbs which consume 75% less energy than the conventional lights.
- ❖ The institution ensures that energy conservation practices and eco-friendly habits are inculcated among students and staff through cautioning them to reduce Electricity Consumption like switching off all lights, appliances and electronic items not in use.
