SECRETARY'S MESSAGE

It gives me a great pleasure to see that The Islamiah College (Autonomous) is steadily achieving greater heights. I congratulate the entire staff members of this college for their whole hearted involvement and commitment towards sustainable development. Education is the ability to meet life situations. Our vision of the institutions is to impart quality education in all core disciplines of knowledge by developing global leaders who are confident, smart, intelligent, gifted and engaged with life. With best infrastructure, techno-savvy ambience, latest gadgets to equip one to stride with competitive fervour, ever increasing new job oriented courses, career-counselling and highly enthused qualified teachers - we earnestly endeavour to help you in realizing your dreams and make you better human beings. The College has always been reputed for its studies and its healthy working environment. We endeavour to make our students achievers in all fields. I wish the college to continue progressing by leaps and bounds.

Dr. Anwarullah Hajee M.B.B.S

EDITOR'S NOTE

It is a matter of pride as well as pleasure to present before our readers the 28th issue of College Newsletter. I feel honoured for the faith reposed in me for performing the role of editor of this Newsletter.

We have put whole-hearted endeavours to give a complete and kaleidoscopic view of laudable achievements of different departments of our college. The newsletter is a good way to let you know about developments in academic sphere in our institution. We are growing and our mission to score high CGPA in NAAC accreditation for 3rd cycle has provided all of us with an important task. As you are aware, the recent advancement in infrastructure of our institution makes an enormous difference in teaching – learning process. I extend my best wishes to all students in their chosen career path and I am sure the college will scale upto greater heights in the years to come and serve many more in the society. Through further issues of our Newsletter, we do hope that we will come up to the expectations of our readers. Your constructive suggestions are always solicited.

Dr. H. Abdul Jaffar Ali

PRINCIPAL'S MESSAGE

We at Islamiah College are committed to create an ambience for nurturing innovation, creativity and excellence in our students. We aim to prepare the young science and arts students to confidently and competently face the challenges of intensifying competition by imparting high quality technical and managerial education coupled with appropriate training and wide exposure to the state-of-art practices. Our educational programmes lay emphasis on all round personality development and also in inculcating human values and professional ethics which help our students become more humane and socially alive to lead a meaningful life. It is my pleasure to compliment all the contributors and extend my best wishes for their bright future and growth of this publication and the Institute.
