AWARENESS PROGRAMME ON CODE OF CONDUCT

Islamiah College, in its quest for the holistic development of the students and to develop the sense of sincerity, regularity, punctuality and discipline among students, organizes Awareness Programme on prescribed Code of Conduct for the students every year regularly. It is the tradition of the college to organize such programmes to the students especially to the freshers stepping into the college. This Awareness Programme on Code of Conduct is organised every year during the odd semester on the reopening day of the college. It is mandatory for all the first year students to attend such programmes in which the Secretary & Correspondent, Principal, Vice Principal, COE, HODs, Librarian etc., address and orient the students on the following topics:

- College Rules and Regulations
- Working Days, Attendance and Leave Rules
- Discipline and Behaviour
- Examination and Tests
- Library Rules
- Scholarship and Freeships
- Other Infrastructure Facilities in the College etc.

Apart from the above said Awareness Programme on Code of Conduct, every year College Handbook, which consists of code of conduct, is distributed to all the students, scholars and staff members.
