Submitted to the Principal,

REPORT ON ONE DAY STATE LEVEL CONFERENCE HELD ON 21-09-2017

Our department conducted a State Level Conference on "ATTAINING FINANCIAL INDEPENDENCE & EMERGING TRENDS IN ISLAMIC INVESTMENTS" from 10.00 A.M to 4.00 P.M on 21-09-2017, consisting of two sessions. Mr. G. SUNDARARAJAN, Director - CANARY CAPITAL SOLUTIONS P LTD, Chennai, was the resource person of the forenoon session. Dr.S.Liyahath John H.O.D of Commerce (FA) was the resource person of the afternoon session.

The Conference was inaugurated by Dr. ANWARULLAH HAJEE Sahib, the Secretary & Correspondent of the College. Janab Nari Mohamed Nayeem Sahib, Asst.Secretary of V.M.E.Society, Dr. K. PREM NAZEER, Principal, Dr. T. MOHAMMED ILYAS, Vice-Principal, were present and offered their felicitations.

Mr. G Sundrarajan in his presentation explained the significance of Savings and Investment, advantages of starting early Investment. He presented the emerging trends in Islamic Investments in Indian and Global Context also.

During the afternoon session Dr. S. Liyahath John, H.O.D of Commerce (FA) acted as Chairperson and Judge for paper presentation by the participants. Total 173 participants attended and 16 participants presented papers on various topics covering Stock Market Index, Sharia Index, Sharia Complaint Mutual Funds, Islamic Banking and Finance etc. Three Best Papers were selected and Awarded Cash Prize by the Secretary and Correspondent. Mr. Yasser Arfath .P. proposed vote of thanks.

**A report on UGC autonomous funded international Seminar on
"Molecular Basis of Diseases"**

Organized by
**Department of Biochemistry,
Islamiah College (Autonomous),
Vaniyambadi -635752**

Eminent Professors, Scientists, Research Scholars and students from abroad and from colleges of Tamil Nadu shared and updated their knowledge and experiences through their key note addresses, paper presentation and poster presentation in UGC autonomous funded one day international Seminar on **"Molecular Basis of Diseases"** Organized by Department of Biochemistry, Islamiah College (Autonomous), Vaniyambadi on Thursday the 4th January 2018.

The seminar began with the Quranic invocation by Aakif Ahmed of I BSc Biochemistry.

During the **Inaugural Session**, by 10.00 a.m. **Dr. A. Liyakath Ali**, Head, Dept. of Biochemistry, welcomed the gathering and introduced the Guests. Janab. **Dr. Anwarullah Hajee Sahib., M.B.B.S.**, Secretary & Correspondent, delivered the Presidential address followed by inaugural address by Janab **Dr. Major Syed Shahabuddeen Sahib.**, former principal, Islamiah College Vaniyambadi. **Dr. K. Prem Nazeer**, Principal, delivered the key note address.

Technical Session-I began by 11 am, after the tea break with the speech entitled **"BETting on a new therapy for Cancer"** by the Chief Guest, **Dr. Irfan A. Asangani., Ph.D.**, Department of Cancer Biology, Perelman School of Medicine, University of Pennsylvania.USA.

Technical Session-II began at 12.00 noon with the speech entitled **"Biology of cancer and in vitro cytotoxic activity ficushispida leaves extract"**, by **Dr. N. Sudhakar., Ph.D.**, Department of Biotechnology, Dr. M. G. R. Educational and Research Institute, Maduravoyil, Chennai

Oral & Poster Presentation was held between 2 pm to 3 pm.

Dr. T. Mohamed Ilyas, Vice Principal delivered the Valedictory address. Janab **H. Abdul Haleem Sahib, B.Sc.**, Secretary & Correspondent Islamiah Women's College Vaniyambadi presided over the valedictory session and distributed certificates to the prize winners and participants.

Feedbacks by the participants were encouraging. **Dr. A. Gokulakrishnan**, the Organizing Secretary, proposed the **Vote of Thanks**. The seminar came to an end with **The National Anthem**.

The active involvement of participants through oral & poster presentations, enthusiasm and kind cooperation extended by the faculties, students, and volunteers of the host department contributed to the success of this one day seminar.

ABOUT THE INSTITUTION

Islamiah College is a symbol of devotion to education and love for learning, established by the Vaniyambadi Muslim Educational Society. The college had a humble beginning in 1919, has now grown up into a full-fledged PG and research institution. At present, there are fifteen departments. The college keeps its portals open to the members of all caste and communities and it has earned a unique place in the educational map of India. The college has been conferred autonomy from the year 2010, and re-accredited by NAAC with "A" grade.

The college is located in the leather city, Vaniyambadi, Vellore district. About 10 Kms from here the Hill Station, Yelagiri is situated. It is a famous hill resort. To the east of Vaniyambadi, at Kavalur, Asia's 2nd largest Observatory Vainu Bappu Observatory is located.

ABOUT THE DEPARTMENT

The department was started in the year 1985 with B.Sc., Biochemistry. It made rapid strides and upgraded as a PG department in 1998 with a view to making a giant leap into the research field, M.Phil., Biochemistry was introduced in the year 2009 and Ph.D., Biochemistry in 2016.

OBJECTIVES

Life is made up of lifeless molecules.

Biological matter is comprised of small molecules (e.g., water), macromolecules (biopolymers), supramolecular assemblies or macromolecular complexes, which assemble into subcellular particles and cells, which in turn form supramolecular systems such as tissues and organs. Molecular basis of life emphasizes problem solving and applying biochemical principles to the fields of health, agriculture, engineering and forensics.

The seminar will address the biochemistry and molecular genetics of the disease/disorder processes and models of human diseases/disorders. It covers aspects of aging, cancer, metabolic-, neurological-, immunological-, infectious disease mechanisms and to discover new ways of disease prevention and therapy.

THRUST AREAS

Posters and papers should emphasize the underlying mechanisms of diseases/disorders pathways and provide novel contributions to the understanding and/or treatment of these diseases/disorders.

CALL FOR PAPERS/POSTERS

Those who are willing to present their paper and posters are requested to send same.

For posters digital banners are not allowed.

REGISTRATION

Participants are requested to send the registration form duly filled in along with the prescribed fee in the form of crossed demand draft in favour of The Principal, Islamiah College, and Payable at Vaniyambadi. In the back of the D.D. do write the details – MBD-BIO 2018, name of the candidate and institution without fail.

The Registration Fee is rupees 150/- Per delegate. The registration fee includes lunch, tea and conference kit only.

Report on the National workshop titled “Sophisticated instrumentation for chemical and physical analysis”

The department of Chemistry organized one day National workshop on 5th March 2018 titled “*Sophisticated Instrumentation for Chemical and Physical Analysis*”. The objectives of the workshop was to expose the advanced analytical instruments in the FIST laboratories to the research scholars and to mitigate their ordeals by giving the results of their samples at the quickest time and at low cost. There were 50 M.Phil. and Ph.D. research scholars represented by 11 colleges participated in this programme. Dr. M. Jayakumar, Scientist, CECRI, Karaikudi delivered a special lecture on “Electro Analytical and UV Spectral Techniques”. In the afternoon session Dr. M. Jayakumar demonstrated the functioning of electrochemical workstation by taking measurements in polarography and cyclic voltammetry in the FIST lab I. In the FIST lab II, Mr. N. Adaikalam, Senior Service Engineer, SYSTRONICS LTD., Chennai, elaborated the working of the UV-Visible Spectrophotometer by taking inorganic compound solutions of different concentrations and drawing the calibration graph. The participants showed keen interest in learning these instrumental techniques and gained substantial practical knowledge and skill.

Valedictory function was held in the evening where certificates were issued to the participants by Janab.C. Kaiser Ahmed, General Secretary, VME Society and Janab. K. Iqbal Ahmed, Director, VANITEC, Vaniyambadi. Our Principal, Dr. K. Prem Nazeer, Vice-Principal, Dr. T. Ilyas Ahmed gave felicitation addresses in the morning. Dr. S. Raja Mohamed Kamil, Associate Professor and HoD of Chemistry was the convener of this workshop. Dr. S. Jafar Sathick, Assistant Professor was the coordinator. The feedback of the participants was the testimonial of the grand success of this workshop.

National Science Day Celebration – Report

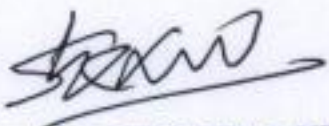

National Science Day celebration was conducted by the department of Physics on Wednesday 28th February 2018 at **The Allama Iqbal Auditorium**. The Programme started with the recitation of holy verses of Quran by Fouzan of II B.Sc Physics. The gathering was welcomed by G. Shakil Muhammad who highlighted the importance of celebrating the National Science Day. **Dr. Anwarullah Hajee Sb**, Secretary and Correspondent gave his presidential address. The Inaugural Address was given by The Principal **Dr. K. Prem Nazeer**. The speakers were introduced to the gathering by the coordinator of the Program G. Shakil Muhammad

Dr. B. M. Jaffer Ali one of the Resource person from the **Centre for Green Energy Technology, Pondicherry University** gave a talk on “**Bio Energy and Biophysics Research opportunities and challenges**”. The Second speaker of the morning session **Dr. P. M. Anbarasan** from **Periyar University, Salem** spoke on “**LASER an Innovative Tool for multidisciplinary application**”

The afternoon session commenced with a talk on “**Physics and Music**” delivered by **Professor N. Viswanathan** former HOD of Physics, **Vasavi College, Erode**.

A Poster presentation session was conducted on Science and its Development. The students showed keen interest in displaying various aspects of Science with wonderful posters. The winners of this poster session were awarded Certificates in the valedictory function which followed the poster session. The Valedictory address was given by **Dr. Raja Mohammed Kamil**, Head, Department of Chemistry, Islamiah College, Vaniyambadi.

300 students belonging to all the Science Departments of College and the neighbouring Colleges participated in this One day celebration. The Programme came to an end with the proposing of vote of thanks by **J. Mohammed Ali** of the Department of Physics.
