## Editor's Note

# A CHALLENGING & SUPPORTIVE ACADEMIC ENVIRONMENT

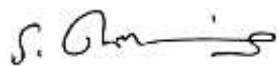

Since the genesis of Islamiah College in 1919, our institution has traversed through several milestones and earned many landmark achievements. In the recent past, Our College has gained autonomy in 2010 and been awarded Reaccreditation with 'A' grade in January 2014. Of the total number of 619 Arts & Science Colleges in Tamilnadu merely 75 Colleges have been accredited by NAAC and our college is one among the elite group of 22 colleges reaccredited with 'A' grade.

The autonomous status is the most deserved one taking into account of our excellent infrastructure facilities, potential administration and scholarly strength of our staff members. In fact, we have been accorded this prestigious status in grand style by proving our class and fulfilling the requirements much more than stipulated by UGC.

The autonomy has facilitated our institution an unfettered growth when compared with its erstwhile status of affiliation under Thiruvalluvar University. It is a great opportunity for us to design our own curriculum in pace with the recent advancements. The advent of autonomy will also pave the way for innovative teaching methodology that may result in the production of skillful and employable students. The Choice based credit system gives our students more flexibility and freedom.

Our campus is already armored with sophisticated instrumentation centers- DST-FIST 1 and DST-FIST 2 laboratories funded by the Department of Science and Technology, Government of India. Our library has the state-of-the-art facilities to have access through almost all the reputed national and international journals.

The four pillars of Education – Teaching, Learning, Examination and Evaluation in our College system are refurbished and galvanized by our recent attainment of autonomy and accreditation. In the backdrop of all our hectic activities and achievements, we are now all set to confront the Autonomy review committee with full preparedness. Our mission is ceaseless, vision is far sighted and we, the people concerned are indefatigable till reaching the pinnacle of our endeavors.

**Dr. S. Raja Mohamed Kamil**

## Secretary's Message

The Newsletter attracts great importance as it disseminates all the deeds of our students and staff within and outside the campus. No doubt, this 20th issue will definitely serve its purpose by bringing our academic, research and social activities to the fore thereby justifying our reaccreditation with 'A' grade and the grant of autonomy. I take this opportunity to call upon all our teaching and non-teaching staff to regroup to impress upon the members of the forthcoming autonomy review committee.

**L. M. Muneer Ahmed**

## Principal's Message

The growth of our institution is tremendous and sustainable as we witness the laurels being poured on us from all quarters. The Academic experts and dignitaries who visit our college extol our fabulous feats achieved braving our rural limitations. Every issue of the news letter adduces the above facts as this 20th issue is also blazing on the trail of success. I congratulate all our teaching and non-teaching staff and appeal them to hold the reins tight as the visit of the Autonomy review committee is imminent. I also extend my whole hearted thanks to the munificent Management for their unstinted support. With many more facilities and infrastructure development are on the anvil, I strongly believe that our students and staff members will surely rise up to the occasions demanded by the time.

## WHAT'S NEW

### Direct On-line Verification of Documents for Companies and Students

Now the students of Islamiah College are privileged to have verification of their certificates through Online and their Authenticity is established in no time even when they are in abroad. In collaboration with IIT (M), this facility has come in effect from 01st June 2014.

### Launching of Islamiah College Research Journal

An ISSN numbered research journal consists of Science and Social Science sections will be launched on 28th February 2015 as a part of the National Science Day celebrations. The research scholars and teachers are much interested to contribute their original work for publication.

### DST-FIST Sponsored Sophisticated Instrumentation Centre

DST-FIST sponsored sophisticated Instrumentation centre has been inaugurated from 23rd November and kept open to research scholars and industries. This centre consists of facilities like Nano Electro Spinning Unit, Electro Chemical Work Station, UV-Vis Spectro Photometers (Solids and Liquids), Fourier Transform Infra Red Spectrometer, Gas Chromatography, Auto Analyzer, Ultra Centrifuge, CO<sub>2</sub> and BOD Incubators, Microwave Bench X and K band, Pulsed Echo Interferometer, Digital Viscometer etc.

### Digital Library and NPTEL e-Learning Video Courses

Digital library has been inaugurated and open to students, research scholars and teachers from 23rd November 2014. It consists of NPTEL programme that covers 135+ Video Courses and 126+ Web Courses, and graphical software's for scholars.

## RESEARCH

22 June 2014 | Seminar Hall

### PhD (Chemistry) Viva-Voce Examination

A PhD Public viva-voce examination was conducted for Mr. K. R. Jaisankar on 22 June 2014 at New seminar Hall. Dr. S. Raja Mohamed Kamil was the Supervisor and Convener and Dr. A. Abdul Jabbar, Associate Professor, The New College, Chennai was the External examiner. The title of the research work is "Synthesis and antimicrobial activity of some novel heterocyclic compounds containing Pyrazoles, Triazoles and Terazoles".

23 June 2014 | Seminar Hall

### PhD (Economics) Viva-Voce Examination

A Ph.D. public viva-voce examination was conducted on 23 June 2014 in the Seminar hall for Mr. J. Jacob Stanley Inbaraj for the thesis titled "A Study on Production and Marketing of Cotton in Selected Villages of Vellore District, Tamilnadu". The external examiner was Dr. M. Gowhar Jhan, Associate Professor and Head, Department of Economics, Ethiraj College for Women, Chennai. Dr. M. Basha, the H.O.D of Economics was the supervisor and convener.

27 October 2014 | Bharathiyar University Coimbatore

### PhD (Commerce) Viva-Voce Examination

A Ph.D public Viva Voce was conducted for Mr. D.S.A. Mehaboob, Assistant Professor of Commerce on 27<sup>th</sup> October 2014 at Bharathiyar University Coimbatore who did his Ph.D at Jamal Mohamed College Trichy as an external candidate

16 November 2014 | Seminar Hall

### PhD (Chemistry) Viva-Voce Examination

A Ph.D Viva-voce examination was held on 16 November 2014 for Mr. N. Nadeem Afrose for the thesis titled "Quantum chemical Calculations of some novel compounds in the green energy harvesting products and molecular docking studies". The Supervisor was Dr. K. Subramani, Associate Professor of Chemistry and external Examiner was Dr. S. Nagarajan, Associate Professor Chemistry, Central University of Tamilnadu, Thiruvavur.

16 November 2014 | Seminar Hall

### PhD (Commerce) Viva-Voce Examination

Dr. A. Noor Mohamed, Associate Professor and HOD of Commerce conducted Ph.D Viva-voce examination for his candidate Ms.N. Roja Bhai on her thesis titled "Organisational Climate and Job Satisfaction of Arts and Science College Teachers". Dr. S. Syed Rafiq Ahamed, Associate Professor of Commerce, The New College was the external Examiner.

## UPCOMING EVENTS

### Free Health Check for Staff and their Family

College has arranged for free general health and cardiac check-up for members of the staff and their family on 10.1.2015. Doctors from Narayana Cardiac Hospital, Bangalore will be participating in the programme. All members are requested to participate and get benefited.

## Research Activities

### Guideship

Dr. H. S. Muthu Mohamed, HOD of Biotechnology has got Ph.D Guideship approval from Thiruvalluvar University from the current session of Admission.

### Thesis Submitted

Mr. B. Andrews, Ph.D. scholar of Chemistry under the guidance of Dr. Mansur Ahmed submitted his thesis to Thiruvalluvar University on 26th September 2014.

Ms. S. Kasthuri under the guidance of Dr. U. Rizwan submitted her Ph.D thesis in Mathematics to the Thiruvalluvar University during July 2014.

### Synopsis Submitted

Dr.K.Anbalagan, who is doing Ph.D Commerce under the guidance of Dr.A.Noor Mohamed, submitted his synopsis entitled "Job Involvement and Job Stress of Transport Employees" to the Thiruvalluvar University on 20<sup>th</sup> August 2014.

Mr.M.Francis, who is doing Ph.D under the guidance of Dr.A.Noor Mohamed, submitted his synopsis entitled "Gender Differences in Leadership Styles" to the Thiruvalluvar University on 21<sup>st</sup> August 2014.

Mr. Saravanan, Ph.D Scholar of Chemistry under the guidance of Dr. S. Raja Mohamed Kamil submitted his synopsis titled "synthesis, characterization and study of antimicrobial and anticancer activities of some novel imidazotetrazinones" on 22nd September 2014 to Thiruvalluvar University.

Prof. S. Jafar Sathik, who is doing Ph.D Chemistry under the guidance of Dr. S. Raja Mohamed Kamil submitted his synopsis titled "synthesis and characterization of biopolymeric derivatives of chitosan and their biological studies" to Thiruvalluvar University on 24th September 2014.

Mr. K. Yuvaraj, the Ph.D scholar under the guidance of Dr. S. Raja Mohamed Kamil submitted his synopsis titled " synthesis and antimicrobial activity of some novel heterocyclic compounds containing triazoles and pyrazoles" on 24th September 2014.

Prof.V.Valeeullah, who is doing Ph.D under the guidance of Dr.T.Mohamed Ilyas submitted his synopsis entitled "Leadership Styles and Organizational Commitment" to the Thiruvalluvar University on 3<sup>rd</sup> November 2014
