Analysis Report of Alumni Feedback 2020-21

The Alumni Feedback was collected through online from the Alumni and the Exiting Students during December 2021. A well structured Alumni Feedback Form was administered to collect the Feedback from Alumni and Exiting Students. The following are the findings and observations:

Findings and Observations

- Majority of alumni agree that the subjects taught were up to date and relevant to present day world.
- A vast majority of alumni agree that the courses taught have increased the skills and competencies.
- Majority of alumni have agreed that teachers used different Teaching Tools/Methods/Strategies
- Alumni have said that Teacher used Practical Classes, PPT Presentations, ICT Classes, Labs, Experiential Learning Methods, Field Visits etc., for Effective Teaching and Learning
- Teachers have encouraged and supported students during their study according to the vast majority of students.
- Most of the alumni have said that the college has more than adequate facilities for Teaching and Learning.
- According to a vast majority of the alumni, college has a spacious library with huge collection of books and journals.
- A vast majority of alumni felt confident, after their graduation, to face outside world.
- Most of the alumni have said that they have acquired required knowledge and skills from their Degree Programme.
- A great majority of alumni have attained the relevant course and programme objectives and outcomes of their respective degree programme.

- A great majority of alumni have learnt moral and ethical values during the course of their study.
- According to a vast majority of alumni, college is determined to achieve its Vision and Mission.
- 65% of the alumni have opined that they have developed many employability skills such as Communication Skill, Interpersonal Skill etc., during the course of their study.
- Majority of alumni have said that the college has a friendly atmosphere for all the students and also treats each and everyone in a fair manner.
- For the vast majority of alumni, the college has helped them to become a socially responsible citizen.
- Some of the Alumni have suggested for the development of Communication Skills and Soft Skills among the students and some others have suggested for increasing the number of ICT classrooms.

Suggestions

Based on the above findings and observations of the Alumni, following suggestions were made by IQAC:

- ✓ To provide a platform to students to develop Communication Skills during the course of study.
- ✓ To take initiatives to increase the number of ICT classes.

Conclusion

The overall findings and observations about Curriculum, Teaching-Learning, Library and Other Infrastructural Facilities etc., from the Alumni Feedback, found to be excellent.
